I'm gonna rock ya body, rockin it all night long until the beak of dawnVerse One

Turn off ya phone let me turn ya body on

I'm so mesmerized girl you got me in the zone

The way your booty sittin in that sexy red thong

Make me wanna touch ya body shawty all night long

Lay down on the bed Imma give ya what you need

And ya body is a book and baby Imma about to read it

Beat it, beat it like some cake mix, baby let me lick the bowl

Til you lose control cuz IChorus
