

# You Can Do Magic

## America

I never believed in things that I couldn't see  
I said if I can't feel it then how can it be  
No, no magic could happen to me  
And then I saw you I couldn't believe, it you took my heart  
I couldn't retrieve it, said to myself  
"What's it all about?"  
Now I know there can be no doubt You can do magic, you can have anything that you desire  
Magic and you know, you're the one who can put out the fire  
You know darned well when you cast your spell  
You will get your way when you hypnotize with your eyes  
A heart of stone can turn to clay And when the rain is beating  
Upon the window pane  
And when the night  
It gets so cold when I can't sleep Again you come to me  
I hold you tight and the rain disappears  
Who would believe it  
With a word you dry my tears You can do magic, you can have anything that you desire  
Magic and you know, you're the one who can put out the fire  
You know darned well when you cast your spell  
You will get your way when you hypnotize with your eyes  
A heart of stone can turn to clay And if I wanted to  
I could never be free  
I never believed it was true  
But now it's so clear to me You can do magic, you can have anything that you desire  
Magic and you know, you're the one who can put out the fire  
You know darned well when you cast your spell  
You will get your way when you hypnotize with your eyes  
A heart of stone can turn to clay You're the one who can put out the fire  
You're the one who can put out the fire
