You Can Do Magic

America

I never believed in things that I couldn't see
I said if I can't feel it then how can it be
No, no magic could happen to me
And then I saw youI couldn't believe, it you took my heart
I couldn't retrieve it, said to myself
"What's it all about?"

Now I know there can be no doubtYou can do magic, you can have anything that you desire Magic and you know, you're the one who can put out the fire

You know darned well when you cast your spell You will get your way when you hypnotize with your eyes A heart of stone can turn to clayAnd when the rain is beating

Upon the window pane

And when the night

It gets so cold when I can't sleepAgain you come to me I hold you tight and the rain disappears

Who would believe it

With a word you dry my tearsYou can do magic, you can have anything that you desire

Magic and you know, you're the one who can put out the fire

You know darned well when you cast your spell

You know darned well when you cast your spell You will get your way when you hypnotize with your eyes A heart of stone can turn to clayAnd if I wanted to

I could never be free

I never believed it was true

But now it's so clear to meYou can do magic, you can have anything that you desire
Magic and you know, you're the one who can put out the fire
You know darned well when you cast your spell
You will get your way when you hypnotize with your eyes
A heart of stone can turn to clayYou're the one who can put out the fire

You're the one who can put out the fire
