

Walk With the Dead

RF7

Iâ€™ve wandered free
better part of a decade
Any direction Iâ€™d choose

Looking for answers
in the bowels of hell
No question you lose

Got no remorse
just the tracks of a man
Not sure where heâ€™s goinâ€™

My eyes are blank
like a corpse on the street
Waiting to be frozen

How long will I
Walk with the dead
How long can I
Walk with the dead

I looked to Jesus
at the end of it all
He just gave me a smile

He Said â€œMy boy,
Iâ€™m here for youâ€•
â€œJust come the first mileâ€•

But Iâ€™m too big
to take that risk
Iâ€™ll do it my own way

Look at me
a sign of the times
Iâ€™m still wandering today
