Apart (Bittruf Part 1)

Lacrimosa

So - you - said - that
I - shall - try - to go onI've seen your eyes
They shined like stars to me
And then I saw your soul
An empty hallKissing you was like
Kissing the past
I felt like giving inI felt like
Being a part of something
Something I was always
trying to achieve
I felt like
Being a part of something
Something that lastsI've seen your ways
They sometimes took me
By surprise
And then I saw your aim
A lurid lunaticTouching you was like
Touching a flame
I felt like giving inI felt like
Being a part of something
Something I was always
trying to achieve
I felt like
Being a part of something
Something that lastsAnd I need love
Like I never needed love before ...
