Not Afraid

Red Rocks Worship

I have this confidence because
I've seen the faithfulness of God
The still inside the storm, the promise of the shore
I trust power of Your word
Enough to seek Your kingdom first
Beyond the barren place, beyond the ocean wavesWhen I walk through the waters I won't be overcome
When I go through the river I will not be drowned
My God will make a way so I am not afraid
You keep the promises You make
There isn't one that is delayed
So I will not lose heart, here I will lift my arms
And start to sing into night
My praise will call the sun to rise
Declare the battle won, declare that it is doneWhen I walk through the waters I won't be overcome
When I go through the river I will not be drowned
My God will make a way so I am not afraid
When I am in the fire I will not feel the flames
I'll stand before the giant, declaring victory
My God will make a way, so I am not afraid
Before me, behind me, always beside me
No shadow, no valley where you won't find me
I am not afraidI am not afraidMy God will make a way, so I am not afraid
No, I am not afraid, no I am not afraid
