

Quicksand

[Lillix](#)

Yesterday
Seemed so much longer then today
There must be something wrong with me
I think I'm losing in oh no
I must be stupid
Now I'm here
Yes I'm here
'cause I tried
If your here
Then you're here
For a while I can reach the sky
Without being traced down
I can run forever
While I try to hold on
But if youll be there where I drown
I don't want to hold your hand
Its quicker then quicksand
And you just wont make it Now or less I think I've seen a brighter side
Ive trusted no one deep inside
Is what they call the rest of them
They just don't get it
But were there
Yes were there
For a try
And were there
Yes were there
For a while I can reach the sky
Without being traced down
I can run forever
While I try to hold on
But if youll be there where I drown
I don't want to hold your hand
Its quicker then quicksand
And you just wont make it Ive seen so many try to get there way
Im sure it's not there best
Yeah I'm sure not there best I can reach the sky
Without being traced down
I can run forever
While I try to hold on

But if you'll be there where I drown
I don't want to hold your hand
It's quicker than quicksand
And you just won't make it
It's quicker than quicksand
And you just won't make it [x2]
