

# I'd Rather

## Jasmine Trias

I thought some time alone

Was what we really needed

You said this time would hurt more than it helps

But I couldn't see that I thought it was the end

Of a beautiful story

And so I left the one I love at home to be alone, alone And I tried and found out this one thing is true

That I'm nothing without you

I know better now

And I've had a change of heart I'd rather have bad times with you

Than good times with someone else

I'd rather be beside you in a storm

Than safe and warm by myself I'd rather have hard times together

Than to have it easy apart

I'd rather have the one who holds my heart

Yeah And then I met someone

And thought she could replace you

We got along just fine

But wasted time because she was not you We had a lot of fun

Though we knew we were faking

Love was not impressed with our connection built on lies, on lies So I'm here 'cause I found this one thing is true

That I'm nothing without you

I know better now

And I've had a change of heart I'd rather have bad times with you

Than good times with someone else

I'd rather be beside you in a storm

Than safe and warm by myself I'd rather have hard times together

Than to have it easy apart

I'd rather have the one who holds my heart

Who holds my heart I can't blame you if you turn away from me like I've done you

I can only prove the things I say with time

Please be mine, please be mine I'd rather have bad times with you

Than good times with someone else

(I know)

I'd rather be beside you in a storm

(Anytime)

Than safe and warm by myself

(Surely, surely, baby) I'd rather have hard times together

Than to have it easy apart

I'd rather have the one who holds my heart I'd rather have bad times with you

(Surely)  
Than good times with someone else  
(Surely)  
I'd rather be beside you in a storm  
(Oh yeah)  
Than safe and warm by myself  
(All by myself)I'd rather have hard times together  
Than to have it easy apart  
I'd rather have the one who holds my heartI'd rather have the one who holds my heart  
I'd rather have the one who holds my heart  
Who holds my heart
