

Now You're Gone (Radio Edit)

Basshunter

Now you're gone, I realize my love for you was strong

And I miss you here, now you're gone
I keep waiting here by the phone
With your pictures hanging on the wall

Now you're gone, I realize my love for you was strong
And I miss you here, now you're gone
I keep waiting here by the phone
With your pictures hanging on the wall

Are you ready!?

Now you're gone, I realize my love for you was strong
And I miss you here, now you're gone
Is this the way it's meant to be?

Only dreaming that you're missing me?
I'm waiting here at home
I'll go crazy, now you're gone
Ready for take off

Now you're gone, I realize my love for you was strong
And I miss you here, now you're gone
I keep waiting here by the phone
With your pictures hanging on the wall

There's an empty place in my heart
Without our lovin it could break apart
It won't heal, it never fades away
I'll go crazy, now you're gone

Now you're gone, I realize my love for you was strong
And I miss you here, now you're gone
I keep waiting here by the phone
With your pictures hanging on the wall

Is this the way it's meant to be?
Only dreaming that you're missing me?
I'm waiting here at home

Iâ€™ll go crazy, now youâ€™re gone
