

Oh Billy Please

Donna Summer

You said you loved me
Then why won't you let me
Be who I am all of the time? Said you wouldn't hurt me
Then why would you leave me
And take my peace of mind
Ah, ah? Oh, Billy, please take my call
Ah, ah
Billy, I've tried most of all
Ah, ah We've got to stop having
This misunderstanding
There'll never be another guy I'm sending this letter
Hope you're feeling better
Can't stop this raining from my eyes
Ah, ah Oh, Billy, please take my call
Ah, ah
Billy, I've tried most of all
Ah, ah Don't be a fool for some lies
Ah, ah
Billy, I've tried over time
Ah, ah If you love me
If you love me Some people say I'm a fool for loving you
There's no perfect guarantee
And I know you will agree Oh, Billy, please take my call
Ah, ah
Billy, I've tried most of all
Ah, ah Oh, Billy, please take my call
Ah, ah
Billy, I've tried most of all
Ah, ah Don't be a fool for some lies
Ah, ah
'Cause Billy I've tried more than twice
Ah, ah, hey, hey, ah, ah
