

# The Storm

## Parlour Tricks

\*whistling\*

I had already won  
I had none of the action and all of the fun  
With an Olympian love  
Who told me he'd stay when the going got tough  
But the tough got good  
And you know he didn't handle it as well as he should  
There was something wrong  
And I couldn't put it in a song  
I took a deep breath and I crossed my fingers  
I know it's time to stop  
But I'm not ready to go  
You're like  
No one I know  
Put your head on my shoulder, honey  
I will brave the storm  
I will brave the storm  
I will brave the storm  
I was making a fuss  
You can't live with a lover whose words you can't trust  
I was over the line  
Trying to get a reaction or some kind of sign  
But I'm stuck in reverse  
And when you're sweet it only makes it worse  
But when it went all wrong  
I couldn't put it in a song  
I took a deep breath and I crossed my fingers  
I know it's time to stop  
But I'm not ready to go  
You're like  
No one I know  
Put your head on my shoulder, honey  
I will brave the storm  
It's been one of those nights  
If I turn out the lights  
With your head on my shoulder, honey  
I will brave the storm  
I will brave the storm  
I will brave the storm

I'm not ready to go  
You're like  
No one I know  
Put your head on my shoulder, honey  
I will brave the storm  
It's been one of those nights  
If I turn out the lights  
With your head on my shoulder, honey  
I will brave the storm  
I'm not ready to go  
You're like  
No one I know  
Put your head on my shoulder, honey  
I will brave the storm  
It's been one of those nights  
If I turn out the lights  
With your head on my shoulder, honey  
It's been one of those nights  
If I turn out the lights  
With your head on my shoulder, honey  
I will brave the storm  
It's been one of those nights  
If I turn out the lights  
With your head on my shoulder, honey  
I will brave the storm  
It's been one of those nights  
If I turn out the lights  
With your head on my shoulder, honey  
I will brave the storm  
I will brave the storm  
I will brave the storm
