

# Talk About It

## Trey Songz

[Intro]

I don't wanna talk about it

I don't wanna talk about it

I don't wanna talk about it

I don't wanna talk about it[Verse 1]

She cares too much, I care enough

I love her, but, never said enough[Refrain]

My mind is so heavy and time doesn't let me think about shit

So much stress in my life that I'm holdin' inside, then I think about this[Chorus]

She said we ain't gotta talk about it

If I don't wanna talk about it

But if I wanna talk about it

She's all ears

She says she's really worried 'bout me

But if I ain't really worried 'bout it

She ain't really trippin' on it

But she's still here[Verse 2]

I said that I had nothing to hide

My life, my life, losing my damn mind

She said, "put it aside, I'll hold your pride"

And I can't ever explain why I ain't got time

Addicted to these girls, all around the world

Always want a new one

And it's, "Can I get a favor?" Throw me little paper

Everyone needs something[Refrain] + [Chorus x3]
