I Am Anastasia

Sponge

I found your name in a book
In that book a letter, were the words of a girl
Who said that she was lead away and
Left for dead but somehow she survived itHow was it no one would believe that
You were part of their world a different world
One they denied you, if I could help you I would
Help you now and you can speak through me withI am, I am
I am Anastasia
I am, I am
I am Anastasia
Anastasia, Anastasia
Anastasia, Anastasia
Anastasia, Anastasia
Anastasia, AnastasiaI'm haunted by a girl whose life's locked in these pages
But through these works, she will be free
Through me I know, I know we won't forget her
She can speak through me withI am, I am
I am Anastasia
I am, I am
I am Anastasia
Anastasia, Anastasia
Anastasia, Anastasia
Anastasia, Anastasia
Anastasia, AnastasiaI am, I am
I am, I am
Anastasia
