God Is Not A Secret

Newsboys

You don't understand
This is not what you think it is
You don't get it, man
You want to boil it down to show bizYour in-depth research shows
Drop the God, emphasize the beat
I've heard that positive pop you dig
I'd rather be buried in wet concreteTake back your free advice, I don't accept
I will not play those games
God is not a secret to be kept
God is not a secret to be keptYou don't understand
I'm not talkin' multiple choice
You don't get it, man
If the cross offends, you find another voiceI am not runnin' for office here
I won't keep it purposefully vague
I've heard that 'New Age Life Force' trip
I'd rather be dipped in bubonic plagueTake back your free advice, I don't accept
I will not play those games
God is not a secret to be kept
God is not a secret to be keptIf we keep silent, if we mass defect
These very rocks will scream
God is not a secret to be kept
God is not a secret to be keptAnd would I wash my hands again?
And would I wash my hands again?
Would I deny my Savior when
He hung inside the public square?
Did not my silence put Him there?Take back your free advice, I don't accept
I will not play those games
God is not a secret to be kept
God is not a secret to be keptIf we keep silent, if we mass defect
These very rocks will scream
God is not a secret to be kept
God is not a secret to be kept
God is not a secret to be kept
God is not a secret to be kept
