The Nephilim Rising

Behemoth

I'm burning like a fucking fire
Mysterious Domain, Murdered Apprehension
Shemyaza, Lacifarus - glow like the Sun
In this final hourOv Dawn ov the Dusk
I, heart ov all chthonic hearts
Vulture eye, fallen one, proclaim:This great world
Is a mirror ov my small self:
Striving for infinity, shall I remain?We cannot kill the time:
It is the time that kills us
And I'm the answer on my questions
And blood ov my hopes and all prayers -Mark the sunset, the last judgment -
And my rainment... -
This is the night, just black damn'd nightAs dethroned so enthroned, attracted... Rejected...
In this totality is perfection ov Me in Thee
Freedom ov Nature, delight ov Existence
So intoxicate me as I intoxicateth theeSlay me as I created thee
When reality is nothing more
Than quantum vortex deep sleep
Make it lucid dreamOr hallucinate if you please
In exaltations ov All, One, None
There Is No Difference
We are the First and we are the Last
Io Pan!
