

# Midnight Song

## Wild Nothing

In my head  
You dance like curtains  
In the wind  
You're my burden  
I can't feel your heart  
I've been gone  
I can't release these sighs  
You won't hear  
You won't know  
You won't ever know Harden your heart  
It was falling from the start  
Though I tried  
I was always dead inside  
Midnight song  
Sing you to the moon  
I am your quiet night  
You were gone too soon  
I can't feel your heart  
I've been gone  
I've been gone  
I can't release these sighs  
You won't hear  
You won't know
