

# Nailed To The Cross

## Destruction

The cold wind of death  
Makes you freeze to the bone  
The scary final breath  
Leaves only cuts in the stone[Bridge:] Fear the unknown spheres - of death and decay  
Incite the superstition - the booty of fear  
[Chorus:] Your book of God - a book of lies  
Your hero's death - brought us a 1,000 cries!  
Nailed to the cross [x3]  
Nailed to the fuckin' cross!They use fear like the press  
In the book of deceit  
Kneel down and confess  
Weak losers need to retreat[Repeat bridge]  
[Repeat chorus]The sign of the cross is the sign of war  
The holy symbol has been used for more  
Since we remember his promotion campaign  
Is collecting lost souls for a unholy aim!  
Greedy bastards with blood on their hands  
Hiding in churches and loosing their standYour book of God - a book of lies  
Your hero's death - brought us a 1,000 cries!  
Nailed to the cross [x7]  
Nailed - failed - nailed  
Nailed to the cross  
Nailed - failed - nailed  
Nailed to the fuckin' cross!
