

Outlaws

Green Day

Life after youth
Faded in twilight
The dawn of a criminal in bloom
First love
First forgiveness
We were delinquents
Freaks of a faded memory Outlaws, when we were forever young
When we were outlaws
We're outlaws of redemption, baby
Hooligans
We destroyed suburbia
When we were outlaws
Outlaws of forever Scars, broken hearts
Breaking in cars
Running in the light of the moon
Lost souls
Bottle rockets
All that we wanted
It's for our life beyond the stars Outlaws, when we were forever young
When we were outlaws
We're outlaws of redemption, baby
Hooligans
We destroyed suburbia
When we were outlaws
We're outlaws of forever, baby I've got no supervision
Nothing will change my spirit
Race around
I'll plead my innocence
I'll plead my innocence
But that's my best defense when you are young Outlaws, when we were forever young
When we were outlaws
We're outlaws of redemption, baby
Hooligans
We destroyed suburbia
When we were outlaws
We're outlaws of forever I found a knife by the railroad track
You took a train and you can't go back
Forever now, forever now you'll roam
