

Be Okay (Dzeko & Torres Remix)

Oh Honey

Fresh cut grass, one cold beer
Thank the Lord I am here and now, here and now
Summer dress, favorite park
Bless your soul, we are here and now, here and now I'm wide awake, so what's the point of dreaming when your
life is great?
Celebrate the feeling, celebrate the feeling Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh
Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh
We're sleeping out, I believe we'll be okay Sun kissed skin on my lips
Thank the Lord I am here and now, here and now
Fireflies after dark
Bless your soul, we are here and now, here and now I'm wide awake, so what's the point of dreaming when your
life is great?
Celebrate the feeling, celebrate the feeling Oh! Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh
Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh
We're sleeping out, I believe we'll be okay We'll be okay
We'll be okay Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh Oh! Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh
Can't complain about much these days, I believe we'll be okay
Oh oh oh oh, oh oh oh oh
We're sleeping out, I believe we'll be okay
