Tell Me

Kevon Edmonds

Oh yeah
You told me things that made me believe
That everything was fine
So then started complainin'
Tellin' me we don't spend no time
What do you want from me?
I'm givin' you everything
So I gotta do what a man's gotta do
Even if I don't please youNow you don't appreciate
All the things that I do
How I treat you like a lady
Girl, you know I love you
But I'm so confused
Don't know what else you want from me
So tell me now what the deal is
'Cause I don't really understand it noTell me right now what you want from me?
I keep handlin' mine but you just don't see
All the things I do for you
Can't have your cake and eat it too
So tell me what you want from me?
[Incomprehensible]I don't know what you want from me
But girl make up your mind
Do you want a man you can brag about
Or one who sits by your side
What do you want from me?
I thought I gave you everything
Baby girl, I just don't knowNow you don't appreciate
All the things that I do
All I wanna do is please you, girl
Don't you know I love you?
You make it hard for me
To express how I feel
But all I really wanna know is
Why you're trippin', trippin' on me?Tell me right now what you want from me?
I keep handlin' mine but you just don't see
All the things I do for you
Can't have your cake and eat it too
So tell me what you want from me?When will you change your ways
'Cause I can't continue livin' this way

But I still want you, I need you
Oh I, I don't like what you do
But girl I still love you, babeTell me right now what you want from me?
I keep handlin' mine but you just don't see
All the things I do for you
Can't have your cake and eat it too
So tell me what you want from me?Tell me right now what you want from me?
(Tell me what do you want from me?)
I keep handlin' mine but you just don't see
All the things I do for you
Can't have your cake and eat it too
So tell me what you want from me?
