

Timber (feat. Kesha)

Pitbull

It's going down, I'm yellin' "Timber"
You better move, you better dance
Let's make a night, you won't remember
I'll be the one, you won't forget Whooh ooh woo ooh (timber)
Whooh ooh woo (timber) The bigger they are, the harder they fall
This biggity boy's a diggity dog
I'll have Miley Cyrus, clothes off
Twerkin' in their bras and thongs, timber
Face down, booty up, timber
That's the way we like to what?, timber
I'm slicker than an oil spill
She says she won't, but I bet she will, timber
Swing your partner 'round and 'round
End of the night, it's going down
One more shot, another round
End of the night, it's going down
Swing your partner 'round and 'round
End of the night, it's going down (oh oh oh)
One more shot, another round
End of the night, it's going down It's going down, I'm yellin' timber
You better move, you better dance
Let's make a night, you won't remember
I'll be the one, you won't forget It's going down, I'm yellin' timber
You better move, you better dance
Let's make a night, you won't remember
I'll be the one, you won't forget
Oh, whoa, oh (Timber)
Oh, whoa, oh (Timber) Look up in the sky, it's a bird, it's a plane
Nah, it's just me, ain't a damn thing changed
Live in hotels, swing on planes
Blessed to say, money ain't a thing
Club jumpin' like LeBron now, Voli
Order me another round, homie
We about to clown, why? 'Cause it's about to go down
Swing your partner 'round and 'round
End of the night, it's going down
One more shot, another round
End of the night, it's going down
Swing your partner 'round and 'round

End of the night, it's going down (oh oh oh)
One more shot, another round
End of the night, it's going down (it's going down)
It's going down, I'm yellin' timber
You better move, you better dance
Let's make a night, you won't remember
I'll be the one, you won't forget
It's going down, I'm yellin' timber
You better move, you better dance
Let's make a night, you won't remember
I'll be the one, you won't forget
Oh, whoa, oh (it's going down)
Oh, whoa, oh (it's going down)
Oh, whoa, oh (it's going down)
Oh, whoa, oh (it's going down)
