Milkshake

Richard Cheese

My milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you but I have to chargeMy milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you but I have to chargeI know you want it
That thing that makes me
What the guys go crazy for
They lose their minds
The way I whine
I think it's timeLa la la la la
Warm it up
La la la la la
The boys are waitingLa la la la la
Warm it up
La la la la la
The boys are waitingMy milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you but I have to chargeMy milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you but I have to chargeI can see you're on it
You want me to teach the
Techniques that freaks these boys
It can't be bought
Just know thieves get caught
Watch if you're smartLa la la la la
Warm it up
La la la la la
The boys are waitingLa la la la la
Warm it up
La la la la la
The boys are waitingMy milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you, but I have to chargeMy milkshake brings all the boys to the yard
And they're like, it's better than yours

Damn right, it's better than your's
I could teach you, but I have to chargeOh, once you get involved
Everyone will look this way so
You must maintain your charm
Same time maintain your haloJust get the perfect blend
Plus what you have within
Then next his eyes will squint
Then he's picked up your scentLa la la la la
Warm it up
La la la la la
The boys are waitingLa la la la la
Warm it up
La la la la la
The boys are waitingMy milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you, but I have to chargeMy milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right, it's better than your's
I could teach you, but I have to charge
