Your Blood (The Communion Song)

Tye Tribbett

Verse 1:
As far as the East is to the West
Is as far as he placed my wrenched sins away from me
He paid the price that I could never pay
He died so that I once bound now live in victoryChorus:
Thats why I thank you for your blood
Thank you for your blood
Thank you for your blood you shed for me on calvaryThats why I thank you for your blood
Thank you for your blood
Thank you for your blood, the blood that washed my sins awayVerse 2:
My life's been stained enough by my own hands
Time and time again I failed not following your plan
But still your blood covers all I've ever done
My past, present, and future sins
All covered by the son
And I'll say...Back to ChrousBridge:
How precious is the blood
That grants me access to the throne
How great because this love
That you would send your son to die for you and I just to mend a failed relationshipThank you
Thank you for your blood you shed for me on calvary
(ad lib)And I:Chrous:
Thank you for your blood
Thank you for the blood
Thank you for your blood
Your blood that washed my sins away
(ad lib)And IChrous:
I know it was the blood
I know it was blood
I know it was the blood(ad lib)That set me free. That delivered meChrous:
I know it was the blood
I know it was the blood
I know it was the blood
The blood that washed my sins away2x
Covered by the blood
Covered by the blood
