

# I'll Believe You When

## Matchbox 20

I've tried so many times  
To tell you how I feel  
But you're far too disbelievin'  
Are you tryin' to get even with me  
Maybe once or twice  
I wasn't fair I wasn't nice  
But now I've got myself together  
When I promise to be better you say  
Whoa, I'll believe you when  
Whoa, I'll believe you when  
Whoa, when everything you say  
Don't turn out wrong  
Whoa, I'll believe you when  
Whoa, and I'll believe you when  
Whoa, when everything you say  
Don't turn out wrong, all wrong  
I could call you everyday  
Give presents by the score  
And I could send you pretty flowers  
Have them waitin' at your door  
I could write up in the sky  
Forgive me, I apologize  
Still if I went through every measure  
With my promise to be better, you'd say  
Whoa, I'll believe you when  
Whoa, and I'll believe you when  
Whoa, when everything you say  
Don't turn out wrong

Whoa, I'll believe you when  
Whoa, and I'll believe you when  
Whoa, when everything you say  
Don't turn out wrong

There's nothin' you can say that I haven't tried  
Nothin' I can do will ever change your mind  
Yeah, maybe I'd do better  
If I told somebody else  
Hell, I can't hear a thing  
Whoa, I'll believe you when

Whoa, I'll believe you when  
Whoa, when everything you say  
Don't turn out wrong  
Whoa, I'll believe you when  
Whoa, and I'll believe you when  
Whoa, when everything you say  
Don't turn out wrong  
Whoa, and I'll believe you when  
Whoa, and I'll believe you when  
Whoa, and I'll believe you when  
Everything you tell me isn't wrong  
Oh, and I'll believe you when  
Whoa, and I'll believe you when  
Whoa, and I'll believe you when  
Everything you say don't turn out wrong
