

# Sixteenth Century Greensleeves

## Rainbow

It's only been an hour  
Since he locked her in the tower  
The time has come  
He must be undone  
By the morning Many times before  
The tyrant's opened up the door  
Then someone cries  
Still we close our eyes  
Not again Meet me when the sun is in the western skies  
The fighting must begin before another someone dies  
Cross bows in the fire light  
Greensleeves waving  
Madman raving  
Through the shattered night Flames are getting higher  
Make it leap unto the spire  
Draw bright down  
Cut it to the ground  
We shall dance around the fire
