Silver Lining

Joey Graceffa

I pick myself up off the floor
Iâ€™m much stronger than I was before
I wonâ€™t stay down
I keep fighting for solid ground

My dreams are coming to true
My energy has been renewed
Everyone look out
Youâ€™re gonna see what Iâ€™m about

This day will so infamous
Iâ€™m finding happiness
In every granted wish
Cause life is so sweet
When you catch the silver lining
Iâ€™m finding happiness
In every granted wish
Cause life is so sweet
When you catch the silver lining

When I get to do the right thing
I feel it comes with ease
Iâ€™ll take a stand
This time I have the upper hand

This day will so infamous
Iâ€™m finding happiness
In every granted wish
Cause life is so sweet
When you catch the silver lining
Iâ€™m finding happiness
In every granted wish
Cause life is so sweet
When you catch the silver lining
