PRETTY BUTTERFLY

Andy Williams

You tell me you love me, you say you'll be true
Then you fly around with somebody new
But I'm crazy about you, you butterflyYou treat me mean, you're makin' me cry
I've made up my mind to tell you goodbye
But I'm no good without you, you butterflyI knew from the first time I kissed you
That you were the troublin' kind
'cause the honey drips from your sweet lips
One taste and I'm outta my mind
I love you so much I know what I'll do
I'm clippin' your wings, your flyin' is through
'cause I'm crazy about you, you butterflyOoh, I'm crazy about you, you butterfly
Ooh, I can't live without you, you butterflyI knew from the first time I kissed you
That you were the troublin' kind
'cause the honey that drips from your sweet lips
One taste and I'm outta my mind
Ooh, I love you so much I know what I'll do
I'm clippin' your wings, your flyin' is through
'cause I'm crazy about you, you butterflyYou butterfly
