## O'Connor SinÃ©ad

I'm dancing the seven veils  
Want you to pick up my scarf  
See how the black moon fades  
Soon I can give you my heart  
I don't know no shame  
I feel no pain  
I can't see the flame  
But I do know Man-din-ka  
I do know Man-din-ka  
I do know Man-din-ka  
I do  
They're throwing it all this way  
Dragging it back to the start  
And they say, "See how the glass is raised?"  
I have refused to take part  
I told them "drink something new"  
Please let me pull something through  
I don't know no shame  
I feel no pain  
I can't  
I don't know no shame  
I feel no pain  
I can't see the flame  
But I do know Man-din-ka  
I do know Man-din-ka  
I do know Man-din-ka  
I do  
I do  
I do  
I say I do  
Soon I can give you my heart  
I swear I do  
Soon I can give you my heart  
I do  
Mandinka  
Soon I can give you my heart  
Soon I can give you my heart  
Soon I can give you my heart
