

You'll Be Mine (feat.R3hab)

Havana Brown

I wanna walk with you into the love
I wanna fall with you, Oh
I wanna roll with you, you get me so high
I wanna fly with you, OhIt's all right, all right
All night, all night
You're mine, you're mine
(X 2)You'll be mine
You'll be mine
You'll be mine
You'll be mine, mine, mineTonight I'm gonna fight for my right
Cause loving you is the only thing on my mind
(X 2)It's gonna be all right
It's gonna be ok
X 4
I wanna drive with you all the things,
I dream to do with you, Oh
I wanna break with you
All the rules that keep me away from you, OhIt's all right, all right
All night, all night
You're mine, you're mine
(X 2)You'll be mine
You'll be mine
You'll be mine
You'll be mine, mine, mineTonight night I'm gonna fight for my right
Cause loving you is the only thing on my mind
(X 2)It's gonna be all right
It's gonna be okay
(X 4)I wanna walk with you into the love
I wanna fall with you, Oh
I wanna roll with you, you get me so high
I wanna fly with you, OhIt's all right, all right
All night, all night
You're mine, you're mine
(X 4)You'll be mine
You'll be mine
You'll be mine
You'll be mine, mine, mineTonight I'm gonna fight for my right
Cause loving you is the only thing on my mind
(X 2)
