Dear John, I'm sorry I can't do this anymore
You're not the man I fell in love with
And I have to move on with my life, goodbyeGoodbye, goodbye, goodbye coolYou were the one who'd never leave
Beautiful eyes, you seemed so free
Touching your face I felt complete
Holding your hand my heart would weepSo everything that came out of your mouth was full of lies
You looked me right dead in the eyes
You'd call your girlfriends and tell them that I abused your trust
You did your best to demonizeYou were the one who'd never leave
Beautiful eyes, you seemed so free
Touching your face I felt complete
Holding your hand my heart would weepYou were the one who raped my soul
Beautiful lies, you stole my hope
Touching your ass, I scratch the skin
Holding your neck, I tie the rope
(Pulling it tight)You were the one who'd never leave
Beautiful eyes, you seemed so free
Touching your face I felt complete
Holding your hand my heart would weepYou were the one, the one for me
Now that you're gone it's hard to see
So much of me has gone away
There's no need to stay another dayBut someone's got to pay
But someone's got to pay
But someone's got to pay
But someone's got to payBut someone's got to pay
But someone's got to pay
But someone's got to pay
But someone's got to pay
