## **Suicide Solution**

## **Ozzy Osbourne**

Wine is fine
But whiskey's quicker
suicide is slow with liquor
Take a bottle drown your sorrows

## THEN IT FLOODS AWAY TOMMOROW!!

Evil thoughts and evil doings
Cold, alone you hang in ruins
Thought that you'd escape the reaper
You can't escape the master keeper
'Cause you feel life's unreal and you're living a lie
Such a shame who's to blame and you're wondering why
Then you ask from your cask is there life after birth
What you saw can mean hell on this earth
hell on this earth!!

Now you live inside a bottle
The reaper's traveling at full throttle
It's catching you but you don't see
The reaper's you and the reaper is me
Breaking laws, knocking doors

But there's no one at home

Made your bed, rest your head

But you lie there and moan

Where to hide, suicide is the only way out

Don't you know what it's really about

Oh, now people! You really know where it's at! You gotta! Bodge! Get the flaps out! Shoot-shoot-shoo! You gotta! Get the flaps out!

Wine is fine
But whiskey's quicker
Suicide is slow with liquor
Take a bottle drown your sorrows

THEN IT FLOODS AWAY TOMMOROW
