

# Pas de Cheval (Live In Chicago)

## Panic! At the Disco

Oh, little did she know  
Couldn't let me go  
Already a part of her So, often do I need  
People in between  
That just can't get a hold of it So we'll just sing it for them  
Ah  
Yeah, we'll just sing it for them  
(Just can't get a hold of it)  
So we'll just sing it for them  
Ah  
Yeah, we'll just sing it It's the greatest thing that's yet to have happened  
Imagine knowing me  
It's the greatest thing you'd ever imagine  
But you'll never know until you're there  
No, you'll never know until you're there Slow, leave walking to the world  
Give your feet a chance They'll do all the thinking  
Toast, high until they find  
Less pathetic wine  
Until they get a better blend And we'll just drink it for them  
Ah  
Yeah we'll just drink it for them  
(Until they get a better plan)  
So we'll just drink it for them  
Yeah we'll just drink it It's the greatest thing that's yet to have happened  
Imagine knowing me  
It's the greatest thing you'd ever imagine  
But you'll never know until you're there  
No, you'll never know until you're there It's the greatest thing that's yet to have happened  
Imagine knowing me  
It's the greatest thing you'd ever imagine  
But you'll never know until you're there  
No, you'll never know until you're there No, you'll never know until you're there
