

Goodbye

Avril Lavigne

Of all the things I've believed in
I just want to get it over with
Tears from behind my eyes but I do not cry
Counting the days that pass me by
I've been searching deep down in my soul
Words that I'm hearing are starting to get old
It feels like I'm starting all over again
The last three years were just pretend and I said
Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to
I still get lost in your eyes
And it seems that I can't live a day without you
Closing my eyes and you chase my facts away
To a place where I am blinded by the light but it's not right
Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to
And it hurts to want everything and nothing at the same time
I want what's yours and I want what's mine
I want you but I'm not giving in this time
Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to
The one thing that I tried to hold on to
Goodbye to you
Goodbye to everything I thought I knew
You were the one I loved
The one thing that I tried to hold on to
And when the stars fall
I will lie awake
You're my shooting star
