

# Rebel Child

## Bad Love Junkie

There's a rebel child in every town  
There's always that on who wont back down  
You wont you wont you wont change me  
You wont you wont you wont break me I will live I will die in this world alone  
Being feared being stoned by a mop of clones  
And I don't accept your authority  
There's a blooming flower in a garden of dust  
There's a rebel child who's about to be born  
So throw you stones throw your stone throw your stones So what's my story  
Reason for fighting  
Not for the glory  
But for the right  
For the right  
For the right  
For the right  
For the right to be There's a rebel child in every town  
There's always that on who wont back down  
You wont you wont you wont change me  
You wont you wont you wont break me
