

Bummer

Scarling.

I loved this person who didn't love me
I stuck around, hoping that they would see
Unwilling to loose -Reluctant to care
So confident in the substances we'd share
There was a ghost who haunted my head
Paid close attention to every word he said
Gave him perfection gave all I could give
But what he wanted -was for me not to live
Blank and so beautiful- beige and benign
You're pulling ahead - left me falling behind

Bummer

Blank and so beautiful beige and benign
You're pulling ahead left me I'm falling behind

Bummer

Blank and so beautiful- beige and benign
You pulled ahead - left me failing
I threw a party

But nobody came

I threw a party and I was never the same

I threw a party

But nobody came

I threw a party band I was never the same
