

# Welcome To New York

## Taylor Swift

Walkin' through a crowd, the village is a glow  
Kaleidoscope of a loud, heart beats under coats  
Everybody here wanted somethin' more  
Searchin' for a sound we hadn't heard before  
And it said Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York  
Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York It's a new soundtrack I could dance to this beat, beat forevermore  
The lights are so bright but they never blind me, me  
Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York When we first dropped our bags on apartment floors  
Took our broken hearts and put them in a drawer  
Everybody here was someone else before  
And you can want who you want  
Boys and boys and girls and girls Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York  
Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York It's a new soundtrack I could dance to this beat, beat forevermore  
The lights are so bright but they never blind me, me  
Welcome to New York (New York!)  
It's been waitin' for you  
Welcome to New York, welcome to New York Like any great love, it keeps you guessing  
Like any real love, it's ever-changing  
Like any true love, it drives you crazy  
But you know you wouldn't change anything, anything, anything Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York  
Welcome to New York  
It's been waitin' for you  
Welcome to New York, welcome to New York It's a new soundtrack I could dance to this beat  
The lights are so bright but they never blind me  
Welcome to New York  
New soundtrack  
It's been waitin' for you

Welcome to New York  
The lights are so bright but they never blind me  
Welcome to New York  
So bright, they never blind me  
Welcome to New York  
Welcome to New York
