

I Want To Believe

Superhumanoids

I want to
Believe in you
Touch my face
Like you used to
All you do
Retreat pursuit
A bearing space
I still in too
When you appear
Everytime I look into the mirror
Can't replace what's you with hot
Inseparable
Still alone
When I can't sleep
Can I try balls
InseparableStill alone
I like too
Ball you through
The waking place
That's you used to
I want to
Follow throught
Black our days
Deja vu
When I appear
Everytime you look into the mirror
Can't replace what's you with hot
Inseparable
Still alone
When I can't sleep
Can I try balls
Inseparable
Still alone
Still alone
Still alone
Still alone
But still alone
