Mixed Signals (ClubGoers Extended Club Mix)

Bylli Crayone

I, want you to know, That I, feel all alone
Inside and I dont know.. why it must be like this

You, got me so confused, its true, with the things you do
I knew, that you would have me bent like this

(Chorus)

Mixed Signals is all you seem to be feeding me
Confusion, Playing with my mind endlessly
Mixed Signals, You Never Give The Day or the Time
Confusion, You Really Need To Stop ..Stop Playing With My Mind

Love, is somethign I dream of
Too much is never enough and I cant give it up
Feel whats in your heart is real, but you often make me feel
Like I'm not worth your love

(Chorus)
