Easy Love

Leslie Mendelson

We don't have to try
To keep this thing together
We don't have to worry
Too much to get it right
We can take our time
We can take forever'Cause what we have's an
Easy, easy love
The way you please me
Please me loveYou can make me laugh
When things are getting heavy
You never seem to mind
When I bring my troubles 'round
You take me as I am
I'm always good and ready'Cause what we have's an
Easy, easy love
The way you please me
Please me love'Cause even when we fight
We spend more time making everything alright'Cause what we have's an
Easy, easy love
The way you please me
Please me love
