

What a Day That Will Be

Darius Ferris

There is power in a day
Where no harming shall come
No more clouds in the sky
No more tears to dim the eyes
All his peace forevermore
On that happy Jordan shore

What a day. glorious day, that will be
What a day that will be when my Jesus I shall see
When I look upon his face
The one who saved me by his grace
When he takes me back to heaven and leads me to that promise land
What a day, glorious day. that will be

There'll be no sorrow there
No more burdens to bare
No more sickness
No more pain
No more partin over there
And forever I will be with the one who died for me

What a day. glorious day, that will be
What a day that will be when my Jesus I shall see
When I look upon his face
The one who saved me by his grace
When he takes me back to heaven and leads me to that promise land
What a day, glorious day. that will be

What a day, glorious day. that will be
