

Devil's Nectar

Apey & The Pea

Can you find something real? Tea wine for the mother behaves.

I canâ€™t look back for heaven, deciding your motherfucking caver.

Bothered strange

Aim!

Bothered strange

Can you feel something dead? Well take mine, for everything yeah.

Open through every maggot, rain, I feel bad for everything youâ€™re saying.

Well Iâ€™m a poem. So feel my hardest.

And I, Iâ€™m a poem. So keep heart.

Now Iâ€™m alone, you fit my heart.

All in a bone, keep my heart.

Can you feel something red? Let it be for everything, yeah.

I canâ€™t look back from hell, deciding your little pity greed.
