

Beauty In the World

Macy Gray

I know you're fed up
Life don't let up for us
All they talk about is what is going down
And what's been messed up for us When I look around
I see blue skies
I see butterflies
For us Listen to the sound
And lose it
In sweet music
And dance with me 'Cause there is beauty in the world
So much beauty in the world
Always beauty in the world
So much beauty in the world Shake your booty, boys and girls
For the beauty in the world
Pick your diamond, pick your pearl
There is beauty in the world All together now We need more loving
We need more money, they say
Change is gonna come like the weather
They say forever, they say So baby, in between
Notice the blue skies
Notice the butterflies
Notice me Stop and smell the flowers
And lose it
In sweet music
And dance with me 'Cause there is beauty in the world
So much beauty in the world
Always beauty in the world
There is beauty in the world So shake your booty, boys and girls
Yeah, beauty in the world
Pick your diamond, pick your pearl
'Cause there is beauty in the world
All together now Heya, throw your hands up and holler
Heya, throw your hands up and holler
When you don't know what to do
Don't know if you'll make it through
Remember that He's given you beauty in the world So love
(Beauty in the world)
Yeah, love
(Beauty in the world) There is beauty in the world

Beauty in the world Shake your booty, boys and girls
(Boys and Girls)
All the beauty in the world
(Beauty in the world) Pick your diamond, pick your pearl
(Pick your pearl)
There is beauty in the world
(Beauty in the world) All together now
Yeah, love, yeah, love
Oh, love
All together now Hey, baby, when I'm looking at you
I know this fact is true
There is hope for love
There is beauty in the world Hey, baby
Hey, baby, when I'm looking at you
I know this fact is true
There's love, there's hope for love
There's beauty in the world
