Fake

The Frames

You're telling me I should forget you
But why..
And your talking like I never knew you
But that's a lie..

And you're playing out your game again
Why are you never on my side,

And your telling me I should forget you

Come on the guy's a fake
What do you love him for.
And it was my mistake
Just kicking in his door
And if it's just a game
What are we crying for.

You're telling me I will regret you
But so..
And your talking like I should expect to
But you'll never know..

And he's left you in the rain again
And you were always on my mind
And your telling me I should forget you

Come on the guy's a fake
What do you love him for.
And it was my mistake
Just kicking in his door
And if it's just a game
What are we crying for.

I don't know anymore..
