

Have You Ever Loved A Woman

[Eric Clapton](#)

Have you ever loved a woman
So much you tremble in pain?
Have you ever loved a woman
So much you tremble in pain?
And all the time you know
She bears another man's name But you just woman
So much it's a shame and a sin
You just
So much it's a shame and a sin
And all the time you know
She belongs to a mighty ninety-nine So much and she knows you can't leave her alone
You just loved a woman
Would you know, you can't leave her alone?
Something deep inside
Won't let you wreck your best friend's home
