Santa Claus Is Coming

Shelley Duvall

It's snowin' it's snowin'
The north wind is blowin'
The world is all painted so white
Tomorrow is Christmas
We're happy 'cause this is
When we hang up our stockings tonight

The Christmas tree's lit up
Tomorrow we'll get up
And look underneath the tree
There'll be all kinds of good things
Presents that he'll bring
For good kids like you and me.

Santa Claus is coming
Santa Claus is coming
We know he's on his way
Santa Claus is flying-way up in the sky
Look up-you might see his sleigh
The bells are all ringing-and snowbirds are singing
We'll all say a loud hurray
Santa Claus is coming-dear Santa is coming
Tomorrow is Christmas day!

It's still in the morning
Right before dawning
You can't hear a sound in the house
Everyone's sleeping
But footsteps are creeping
As quiet as a little brown mouse

He came down the chimney
It's Santa by jiminey!
All dressed up in red and white
With his bag full of toys
For little girls and boys
He delivers on Christmas night.

Santa Claus is coming
Santa Claus is coming

We know he's on his way
Santa Claus is flying-way up in the sky
Look up-you might see his sleigh
The bells are all ringing-and snowbirds are singing
We'll all say a loud hurray
Santa Claus is coming-dear Santa is coming
Tomorrow is Christmas day!
