Rock The Party (off The Hook)

P.o.d.

We came here to rock this jam
Spread his love is the master plan
And let this light ignite like a star
Everybody in the party knows who we are
You gotta get down, dance around, floss your style
P.O.D., guarantee, make it worth your while
Bad vibes, leave 'em at the door
Soulcheckin', housewreckin', keep 'em beggin' for more
We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long
And keep it live till the break of dawn
Hey DJ won't you play that song
And we'll keep dancing till the break of dawn
And keep it live like the way it should
Ain't nobody gettin' crazy so you know it's all good
B-boys, fly-girls one time
Friend of yours is a friend of mine
Don't bother stopping till this jam is through
'Cause if you been here before then you know how we do
We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long
And keep it live till the break of dawn
We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long
And keep it live till the break of dawn
We gotz to play what we feel
So then I can say I am real
Don't wanna be caught messin' around
'Cause a party ain't a party when it gets shut down
Off the hook, with the cutz, that's right
Feelin' loose 'cause it sounds so tight
Rock da spot till the very end
Make sure that you're there when we do it again
We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long

And keep it live till the break of dawn
