Angeles

Doble Fuerza

Sometimes I never know just what to do, just what to do
Thinkin' about the choices that I'm put through, that I'm put through
So scared for what the future brings for me, it brings for me
It's time for me to pack my bags and get it right, let's get it right
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
'Cause I hope I like the way you dance with me, you dance with me
For just one second I hope that you can see, that you can see
That you can trust my fate and keep me straight, keep me straight
For I've already packed my bags, I have already packed my bags
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way

Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
I'm not asking you for diamonds or pearls
Just for the chance to fine my place in this world
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
Going out to Angeles, keep me restless for the days
Going out to Angeles bringin' me to find my way
