

Inna Jah Jah Sight

Ras Gabriel & 4-Word

Why are the roots so surprised?
To see the branches singing praise,
Unto The Most High,
Ras Tafari.

Why are the roots so surprised?
Did you not call on I?
Did you not call on I,
From afar?

Well let Jah remind you,
Itâ€™s not the colour of your skin,
Itâ€™s what you got planted,
Deep within.

Everyone knows their struggles,
Everyone live by their word,
Jah Rastafari,
King Selassie I The First.

We all love the same tree!
Planted by the waters of life,
So why not come together,
Inna Jah Jah sight?

(x2)

Inna Jah Jah sight,
Inna Jah Jah sight.

Why not come together,
Inna Jah Jah sight.
