

(i'm Caught Between) Goodbye And I Love You

The Carpenters

I have something to tell you
And I know, it won't be easy
I've been thinking these past few days
It might be time to leave You're like a stranger
Then you're a lover
Never the same
Always hard to believe I'm caught between goodbye and I love you
Never knowing quite where I stand
I'm caught between goodbye and I love you
Falling both ways nowhere to land So constantly stranded
I can't understand it
This double life, you've handed me
Is like the devil and the deep blue sea If we go on much longer
If my doubts grow any stronger
Then I may have to let you go
If only to survive Give me a reason
Why should I stay here
I've tried so hard
Just to keep love alive I'm caught between goodbye and I love you
Never knowing quite where I stand
I'm caught between goodbye and I love you
Falling both ways nowhere to land So constantly stranded
I can't understand it
This double life you've handed me
Is like the devil and the deep blue sea
