Am I Dreaming?

Creature Comfort

Precious stones
Are what you make of them
They will soon become
Diamond

Oh you gypsy bride
With your mischievous mind
Why are you trying to hide on this day

Well I am painting rust
Am I dreaming
I can't paint the rust
I can't paint the rust
Am I dreaming
I can't paint the rust

I was born
With a generous heart
Another human tone provoked me

Oh you secret sage
Won't you just obey
No need to call him safe
From what is truly

Well I am painting rust
Am I dreaming
I can't paint the rust
I can't paint the rust
Am I dreaming
I can't paint the rust

Well I am painting rust
Am I dreaming
I can't paint the rust
I can't paint the rust
Am I dreaming

I can't paint the rust

I can't paint the rust

I can't paint the rust

I can't paint the rust
Am I dreaming
I can't paint the rust
Am I dreaming
I can't paint the rust
Am I Dreamin
I can't paint the rust
